

# FIND FURNITURE

A VOCABARET SPECIAL by ADRIAN HOAD-REDDICK

Write a type of FURNITURE in each set of blanks—from left to right, one letter per blank—to complete a longer word. For example, given the pattern ‘\_ A M E L \_ \_ \_ \_’, you would insert ‘CHAIR’ in the blanks to spell ‘CAMELCHAIR’. If you can’t think of a word with the pattern given, try rearranging the furniture and see if it fits.
