

# the language of you

*so take a lesson from the strangeness you feel – Jane Siberry*

there is a true you  
an essential you

deep within

she communicates  
in an ephemeral  
wordless language

(an essentially incomplete language  
of sighs  
whispers  
small inner aches  
seekings  
and pinings)

when happy  
she hums in rhythm  
to the beats of your heart

when neglected  
she'll throb out weak elliptical pulses  
soundings

listen for her  
reverberating through  
the walls of you  
seeking  
reorienting

she has faith in you  
she is faith  
in you

she'll abide  
your lack of mastery  
your averted inner ear

so listen to  
the speaker  
of the language  
of you
